The Apprentice at Rainbow . . .

This year we have "apprentices" coming out of our ears at Rainbow Stage! And we're happy to have them. What better way to learn the business of the Theatre than by the time tested tradition of the Theatre Apprentice? An apprentice digs in anywhere and everywhere. You see them putting up posters, running errands, working backstage and in front. They help build sets, sweep floors, sell programs. Some will work their way up to handling technical details. Some will appear on stage.

All of them will learn. In the tradition of our Industry, they make themselves "generally useful" without pay.

We are very glad to have them with us and we thank each and every one of them for their many hours of enthusiastic effort.

And we thank **THE CARLING (MANITOBA) BREWERIES LIMITED** for their outstanding assistance. Without their generous help we would not be able to provide the tools and supplies needed while we train young people in the theatre.

THANK YOU!

The Little White Menswear Shop.

Valley of the Kings, Egypt, ONE OF PHILIPS SOUND AND LIGHT SPECTACULARS throughout the free world.

You are listening to a "Pipedream" come true

Four years ago the idea of putting lifelike stereophonic high fidelity sound everywhere in a 3,000 seat outdoor theatre was in fact branded a "Pipedream" by every audio engineer and company that was approached.

All, that is, except one!

The engineer's name was George Quigley and the company was Philips. George had the faith in his own technical creative ability and he knew his company thrived on this kind of challenge all over the world. Their own sound and light projects in the Acropolis, the Valley of Kings, the Versailles Palace, La Scala Opera House had all become legend. The unique Philips combination of over a quarter million sighted people like George and the incomparable research facilities of a truly worldwide organization to back them up probably best explains why Philips has become known as the audio research centre of the world. (You be the judge! Would you agree with the thousands of experts that have visited the "Rainbow"

since its opening. Have Philips and George truly made a "Pipedream" come true?)

As a matter of fact, you have probably already tested some of the results of exceptional Philips knowhow for yourself. It might have been with Philishave, the world's most unique and popular electric shaver, or Philips Chatelaine, Canada's only 5-year guaranteed appliances, or Philips truly specialized portable multiband radio and record players, or the unchallenged performance of Philips tape recorders or maybe it was the "Rainbow" quality sound and imagination of Philips stereo hi-fidelity combinations or you may have found the only Television sets that virtually take care of themselves — Philips monitron automatic television.

It really doesn't matter where you meet us—from dictating systems to electron microscopes—any of Philips 3,000 products will quickly confirm your judgement of the "Rainbow" sound. For quality, imagination or just plain value—trust in Philips is world wide.

MEET THE STARS ★★★

EDDIE FOY, JR.,

one of the all time greats in the world of show business comes to Rainbow this season to portray the hilarious Public Enemy No. 13 in "Anything Goes", Moonface Martin. Mr. Foy embodies theatrical history unmatched and unrivalled anywhere. His career began in New Rochelle, New York (just 45 minutes from Broadway, where he spent a great deal of his lifetime) 52 years ago. Eddie Foy Jr. is an original member of one of the greatest acts show business has ever seen . . . Eddie Foy and the Seven Little Foy's. The famous family act opened in the Hammerstein Theatre in New York in 1914 and for 20 years they were one of the most outstanding acts in vaudeville. During that time our city knew show business like we have not known it since and the Seven Little Foy's appeared in the famous Orpheum Theatre at least ten times during that hey-day of vaudeville.

In his half century in the business, Mr. Foy has covered literally every facet of the industry: clubs, vaudeville, movies, summer stock, legitimate theatre, television and Broadway. His first big Broadway success was the Ziegfeld show, "Showgirl". Between then and the present, his Broadway appearances are almost too numerous to count but many Winnipegers will recall his three year run on Broadway in "Pajama Game". Mr. Foy also starred in the movie version as well as over 40 other movies. In that time he appeared with Bing Crosby, Judy Canova, Betty Hutton and Mickey Rooney to mention only a few of his fellow film-stars. As the industry changed Eddie Foy Jr. kept right on with smash success after success. You will remember Mr. Foy as the star of the television series, "Fair Exchange", seen locally last year. This past March, Mr. Foy recreated his famous father's life in the television version of The Seven Little Foy's and everyone will remember the movie version starring Bob Hope a few years ago. Last month, Eddie Foy was seen on the Danny Kaye Hour on television and this fall will be seen in a Burke's Law episode which he taped just three days before coming to Winnipeg. Tonight you will again be treated to the delightful humour and eccentric rubber-legged dancing which are Mr. Foy's trademark . . . and which have made millions of people happy the world over.

CHRISTINE NORDEN,

began her career at the age of 8 as a dancer in her native England. Her career, too, covers the varied facets of our business. Miss Norden has been featured in 28 British Motion Pictures, all with star billing. Notable among these are "My Own Executioner" with Burgess Meredith (for which Miss Norden won the Venice Festival Award) and "Saints and Sinners" in which she played with the world famous Irish Abbey Players and won for herself a British Oscar in so doing. Christine starred in the "Christine Norden Show" on British Broadcasting Corporation Television and since making her first trip to America in 1953, she has been featured on all major American networks. In the legitimate theatre, Miss Norden starred in "They Walked by Night" and "Pygmalion" in London's West End and did "Tenderloin" on Broadway. Her summer stock includes: "Girl Crazy", "Plain and Fancy", "Kismet", "Silk Stockings" and "Happy Hunting". Miss Norden has played all the top music halls, theatres and cafes including The Casino in London, Empire in Glasgow, Ciro's in Hollywood, and a smash seven month run in the famous Dunes in Las Vegas. In addition, Miss Norden has played five Command Performances before Royalty. An interesting sidelight to Christine Norden's varied career is the fact that when attached to the First Canadian Army, she was the first female to land on the beaches of Normandy . . . two days after D-Day! Christine appears tonight as Reno Sweeney, ex-evangelist turned to more profitable employment and leader of the not-so-angelic Angels.

LILLIAN LEWIS,

is undoubtedly one of Winnipeg's favourite entertainers. Rainbow fans will remember her appearance as Anita in last season's "West Side Story". She returns to Rainbow Stage tonight as Bonnie, Moonface Martin's moll, and a better Bonnie cannot be found.

Lillian's Rainbow Stage career goes back to "Hells A Poppin'" and "The Wizard of Oz". She also starred in "Pajama Game" and "Guys and Dolls". For the Manitoba Theatre Centre, she appeared in "The Boy-friend" and "Pal Joey" and this winter she will return to the Theatre Centre to star in "Irma la Douce". Although Lillian is best known for her comedy roles, her ability to switch to the serious actress (for instance her local appearances as Gittel in "Two for the See Saw" has won her rave notices time and again.

Miss Lewis is also an accomplished dancer. She trained and studied both in Winnipeg and London, England, and was a principal dancer with the Royal Winnipeg Ballet for several seasons. Winnipegers will be delighted to see Lillian again sharing a star studded stage at Rainbow Stage this season. With Lillian Lewis, the show has got to be great!!!

During seven years in London's West End, some of his major appearances were in "Remarkable Mr. Penny Packer", with Nigel Patrick and "Plain and Fancy" with Shirl Conway. His films include "Gentlemen Marry Brunettes" with Jane Russell and "Invitation to the Dance" with Gene Kelly. Among Mr. Elsom's major television appearances are 20 episodes on the "Douglas Fairbanks Jr. Theatre" as well as 12 shows with Rosemary Clooney. On Canadian Television he has been seen on "Wayne and Shuster", "G.M. To-night you see him as Billy Crocker, the broken-down Broker. **GAVIN PAYNE** returns to Winnipeg after his very successful Mr. Mulleady in Manitoba Theatre Centre's "The Hostage", this past winter. From England, but now living in Toronto, Mr. Payne played Mulleady in the off-Broadway, film and tour versions of Behan's play. He also played the part last year for Director Malcolm Black in Vancouver. Gavin Payne has played well over 300 leads in his 15 year career and came to our country 4 years ago. He produced and played "Phillip" in "The Little Hut" in Toronto just before coming to Rainbow as Sir Evelyn in to-nights production. **MARNI NORTH** was first seen at Rainbow last season as Ursula Merkle in "Bye Bye Birdie". Miss North began her career while in school at Regina, taking leads in school productions and winning a scholarship to the Banff School of Fine Arts. She came to Winnipeg 2 years ago and has worked extensively on the local scene for the past year. For MTC, she appeared in "A Mid-Summer Night's Dream" and "Little Mary Sunshine". Marni has worked on CBC Radio and TV, doing such shows as "The Jacksons" and "Time Out For Music", as well as several guest appearances. She is with us for the entire season and tonight you will see her as Hope Harcourt. **JEAN MURRY** takes the role of Mrs. Wadworth T. Harcourt, Hope's mother, in to-night's production. Miss Murry is regularly seen in Winnipeg theatre. Her last Rainbow appearance was as Aunt Eiler in "Oklahoma!" Jean created the role of Elsa Riley in Bernard Slade's original play, "A Very Close Family" at Manitoba Theatre Centre, followed by the television version from Toronto opposite Melvyn Douglas. In Radio, Miss Murry has played the same role in the CBC Farm Broadcast for 17 years! **RAY WEBBER** is seen as "Ray", the Ensemble's lead dancer. Winnipeg born, Ray was one of the "Jets" in "West Side Story" — his first Rainbow appearance — last season. But it took this year's auditions to really discover his great dancing ability. Ray is married and lives in Windsor Park with his wife and two kiddies. He is the Regional Director of the Chicago National Association of Dance Masters and operates his own dance studio on Marion Street. Watch him!
